

**NxT Generation Coaches Conference**  
**Friday 16th/Saturday 17th November 2018**  
**Lancashire Cricket Ground, Manchester**  
**COACH APPLICATIONS WANTED**

Swimming coaches from across Great Britain will get the chance to share their knowledge at this year's conference taking place in Manchester on Friday 16 and Saturday 17 November. Jointly organised by Swim England, Scottish Swimming, Swim Wales and supported by British Swimming, the conference is primarily aimed at coaches who are in the upper levels of England, Scotland and Wales Talent Pathways. The two-day event will be an opportunity for coaches to cooperatively learn and share their knowledge, practices and behaviours in developing swimmers.

As part of a Coach Development initiative, the West District Executive would like to support two coaches to attend the conference. The fund that will be available may not cover all costs, however we would expect your home club also to support you where possible. In return for this support, it would be agreed for the supported coaches to share the knowledge gained with the other members of the West District at a West District Meet before the end of June 2019 or other event as agreed with the Executive.

We are seeking applications from interested coaches who are looking to develop themselves, their club and also have the ability to share this learning experience in front of an audience.

To apply, please email [secretary@scotswimwest.co.uk](mailto:secretary@scotswimwest.co.uk) outlining why you would be a good candidate for selection for support. Applications will close on Thursday 27<sup>th</sup> September.

For more information please contact Derek McGown, Vice President on [del\\_mcg@yahoo.co.uk](mailto:del_mcg@yahoo.co.uk) at the earliest opportunity.
