District Champs / Meets

For a Reserve, not “included” during the pre-Session Withdrawal Process, to qualify for a Refund, they should report to the Referee at the start of the Event to be placed in an empty lane, if one becomes available during the Event.

If the swimmer is on the “Reserves Report” after the Meet, but there was an empty lane in the Event, i.e. a swimmer tagged DNS (Did Not Swim), the Reserve does not qualify for a Refund.

The opportunity to swim was available, but not taken up.
