<p>COVID-19</p>	<p>General We want to ensure the competition, as far as is possible, for everyone attending, is a safe and healthy environment that will be enjoyable and successful. All competition in Scotland will be operated in line with the Scottish Government and Public Health Scotland and Scottish Swimming guidance, current at the time of the competition taking place. All competitors and other attendees are required to adhere to the conditions of the competition to ensure that we all stay compliant and safe. Anyone failing to follow the conditions will be refused access or removed from the venue and no refund will be offered. At present Scotland is at below Level 0. However these levels of restriction may have changed by the competition dates. West District will be guided by and will implement all relevant requirements requested by sportscotland and the Scottish Government at that time. While every reasonable effort will be made for the Sep AG Meet & Relay Champs to happen, the regular changes in COVID restrictions that we have seen still provide some unpredictability when planning competition. The conditions for the Meet and whether the Meet will ultimately take place is dependent on the local/regional restrictions in place on facility, the sporting activity and the participants at that time. No guarantee can be given by SASA West District that the Meet will take place at a particular time, on any particular date or at any particular Venue. SASA West District reserves the right to cancel the Meet without notice and without liability for doing so if required. The Meet will not be rescheduled if it is unable to take place on the scheduled dates. In the event of cancellation or abandonment of the Meets, refunds if any, will be made at the absolute discretion of SASA West District. SASA West District will have no legal liability to make a refund or to pay any form of consequential or indirect damage such as loss of enjoyment, travel, catering and accommodation.</p>
