EVENT CONDITIONS:

Submission of an entry will confirm that you have read and understood the below provisions and agree to abide by them.

- I am aware of the need to seek proper medical advice if I have any concerns as to the state of my health. I have not been informed by any medical practitioner and I do not have any knowledge of any medical condition which would make it inadvisable for me to participate in Masters Swimming events or any other associated activities. Accordingly, I hereby certify that I am physically fit and well to participate in any such training and events.
- I am aware of and appreciate the inherent risks involved in such training and competition including the possibilities of injury and accident. I undertake to always conduct myself in a responsible and professional manner.
- I undertake at all times to use my best endeavours to train and compete in a safe and proper manner and not to do anything which would expose myself or fellow swimmers to unnecessary risk of injury.
- I further undertake at all times to take all reasonable safety measures for the protection of myself and fellow swimmers and to inform the Referee of any concerns I may have as regards safety.
- I acknowledge that during Masters Swimming events Inverclyde Masters cannot be held responsible for any loss or damage to personal belongings and that I must take all reasonable steps against any such loss or damage.
- I hereby agree to abide by and be governed by the rules of Scottish Swimming and all other laws and regulations applicable including the SASA Safety Laws.
- I am aware that it is prohibited to use mobile phones or camera devices in the showers, changing area or toilets at Waterfront Leisure Complex.

At no point will members be challenged on the day of a competition with any matters being resolved post event.
- As a result of this policy being implemented, any competitor intending to compete within the Female category at this event will be required to provide confirmation that their birth sex is female when signing up to the meet conditions through entry. By entering the Female category, athletes are therefore confirming their birth sex is female and are eligible to compete in the Female category.
